### Where is the Funeral Home?

Our funeral home is located out of two offices. Our arrangement office is located in Clinton and is a branch of our embalming center (Fitzthum Mortuary Service) located central to all area hospitals in downtown Terre Haute.

We can keep our prices low due to having minimal overhead costs that are affiliated with owning or building a funeral home that can house visitations and funerals.

Building a funeral home may be something that we may consider in the future. Just like it is our goal to keep you debt free when purchasing our services, it is also important that we stay out of debt while building our business.

Payment is expected prior to services being rendered, unless other arrangements have been made prior to need. For your convenience, we will accept credit cards, checks, cash, and assignable insurance policies that are more than three years old.
